JGR Training

Welcome to our Summer newsletter.

We are delighted to announce that we have commenced our support to some of our learners at their place of work. It's been a pleasure to see our learners again in person, and attain a positive outlook from their assessments, proving that they are getting back to a form of normality.

New enrolments Throughout Spring, we enrolled 18 Managers onto a management programme, 8 Production Operators onto a manufacturing programme and also 3 individuals onto a Customer Service programme.

We welcome the learners from Siderise, Cardiff Students Union and Hillside.

Funding We continue to offer fully funded training programmes, so please contact the team for more information and eligibility requirements.

Achievements The Learner of the Season has been awarded to Ilaria Bruni who started her Apprenticeship in February 2020.

"Iliara works in a very busy sales environment at Renold Couplings and even through the challenges of Covid-19 and remote learning, has made excellent progress with her level 3 Diploma in Business Administration. Learner Voice Survey 2021 Every year, our learners are giving the opportunity to express their thoughts, feelings and views regarding their apprenticeships. Here are some of our results.

My assessors have been are very sympathetic during this lockdown. Support is given when needed and clear digestible objectives have been given throughout. Thank you Lydia and Hayley.

I enjoy learning more as I progress. I'm also enjoying spending more time using a computer and improving my IT skills.

Lisa is very friendly and helpful making me feel at ease and relaxed with the whole process. Being new to a course like this this has been really important to me.

It is also nice to be able to pull from my own work experiences to answer questions.
