JGR Training

New enrolments

During the Summer months, we have enrolled a further 10 learners onto their chosen qualification; our new learners continue to join us from Siderise Insulation Ltd and St. Trinity Student Union. Well done team!

Achievements

The Learner of the Season goes to Joanne Satherley. Joanne is very enthusiastic towards her learning approach and is ahead of her target on her ILM Level 4 in Management, even though she is extremely busy with her workload she still manages to be on target for her VRQ as well!! Joanne is also supporting her members of staff through their own qualifications and we would like to send our congratulations to her for Learner of the Season!

Llongyfarchiadau Joanne!

Other Achievements

During the Summer Lisa Moore our Work-Based Learning Assessor had taken part in a Half Marathon in London, fundraising for Anaphylaxis UK. Many congratulations Lisa, for helping raise money to allow for positive change with people who suffer from allergies. This will allow supporting research materials and resources to increase awareness and education.

New team member

We welcome to the team Charlotte Thomas, who has become the Training Team Administrator following a 13-year stint within the Recruitment Team. Charlotte brings with her great knowledge and organisational skills and we look forward to working with her.

Due to a sustained increase in numbers of learners on programme, and the numbers envisaged to be joining programme over the next 12 months, we are seeking to recruit some additional assistance within our Training Department. For information, please visit our website.

For more information regarding any Training requirements or eligibility for the funded qualifications, please contact us to discuss or visit our website for more information.

Best wishes,

JGR Training
